#### Use of Legal Support Service Providers

In an effort to continue delivering cost effective services, WBD (US) uses legal support service providers located both inside and outside the U.S. to assist with help desk and technology issues, word processing, time entry, photocopying and other administrative tasks. In order for these service providers to complete these tasks, we must share certain client information. WBD (US) has made reasonable efforts to ensure that these services are performed in a manner that is consistent with our firm's obligations under the relevant Rules of Professional Conduct with regard to maintaining client confidentiality and supervision of non-lawyer assistants, and the firm bears responsibility for the resulting work product. As part of the engagement with the firm, you agree and consent to the use of the services of these providers in the manner stated above.
